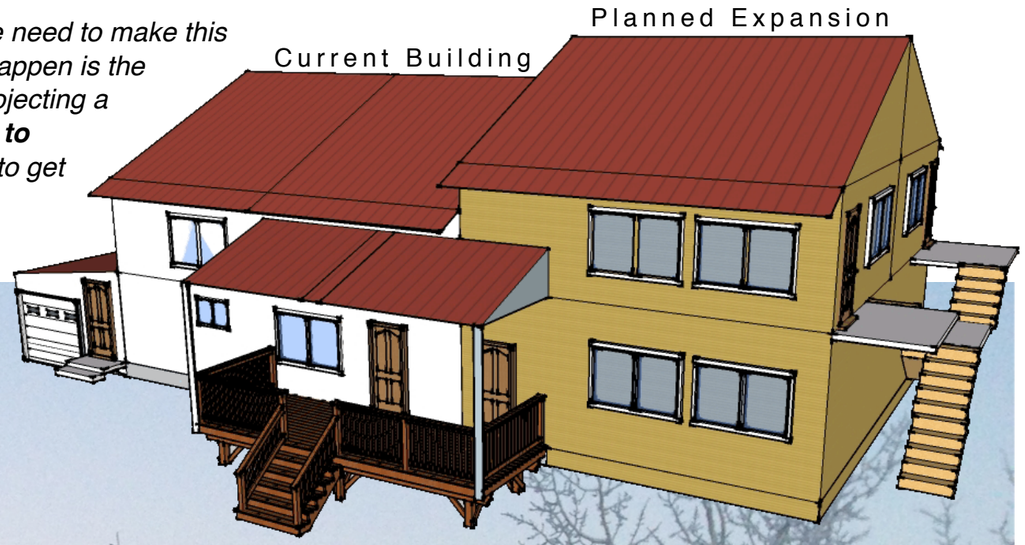
Answer to Prayers

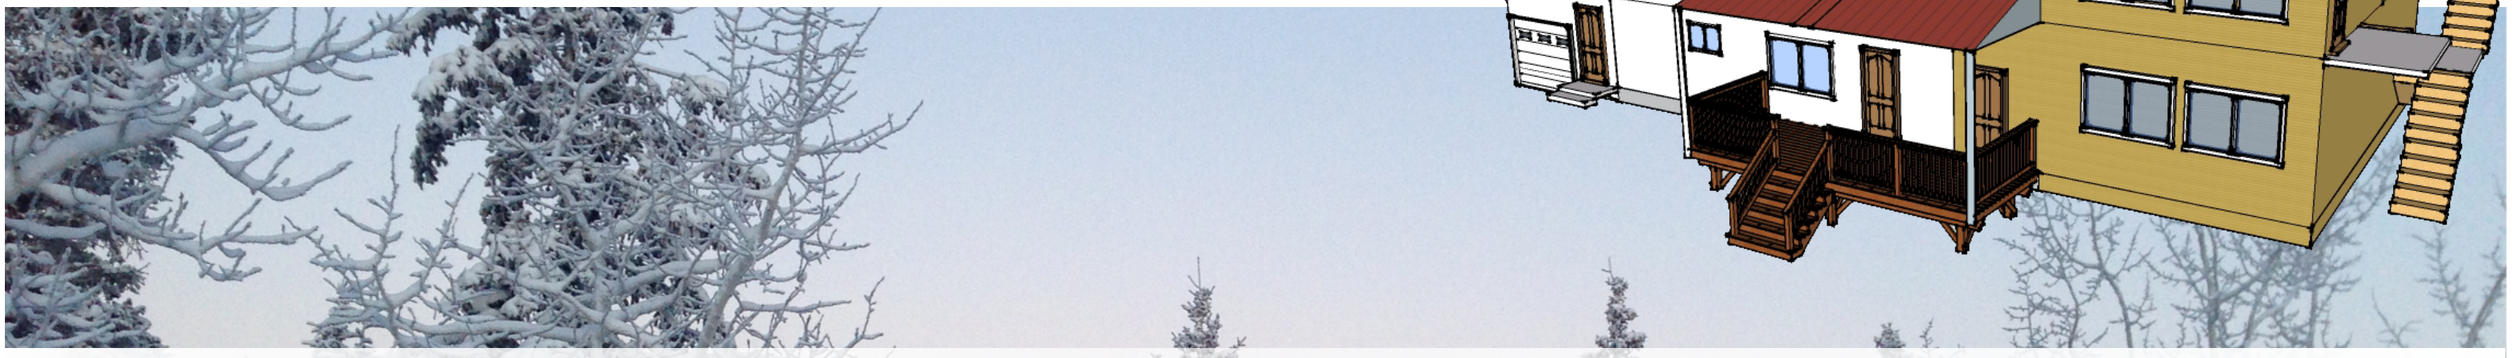
After 4 years of prayer and waiting on proper timing and support, we have gotten the approval to build a much needed expansion to our current staff housing facility.

Due to our church building being in total disrepair, we will be expanding the staff housing to include a ministry room that is almost equal to the current sanctuary size, with the added benefit of being able to be heated 24/7.

Above the ministry room, we will be able to have living space for much needed staff, as well as interns, discipleship students, and new missionaries, seeking experience and training for village missions.

*Now, all we need to make this building project happen is the funds. We are projecting a need for **$60,000 to $75,000** in order to get the first phase completed.*





" Christ makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts to grow, so that the whole body is healthy and growing and full of love"

- Ephesians 4:16

If you would like to contribute to this building project, you can contact us directly or send funds to the Alaska Ministry Network office *(Designate funds: "Fort Yukon Project")*:

Year End Youth Outreach

As some of you may know, every year, we host a youth outreach during New Year's Eve, here in Fort Yukon. The purpose for this outreach is to provide a safe, drug and alcohol free, encouraging environment where 6th-12th grade students can celebrate New Year's, while being shown the love of Jesus by our seasoned ministry staff.

The opportunity for this outreach became very apparent to us when we first moved to Fort Yukon, in 2006. Many of the youth who were involved with drugs and alcohol shared a story about a New Year's party, where they were first introduced to these substances. We began the New Year's All Nigher 5 years ago, to see if we could decrease the attendance and interest in the destructive New Year's parties in town.

We had no idea, when we started this event, how successful it would become. Now, kids look forward to it all year! This 12 hour, all night youth event has become a stable highlight in the year for most of the middle and high schoolers in Fort Yukon.

Every year, we bring up experienced full-time ministers to help us staff this event and give these students the quality, Holy Spirit led ministry that they desperately need. *This year, we had over 42 students in attendance, along with 10 extra staff members.*
