## PETERSBURG, AK

We were blessed to have the opportunity to speak at, and minister to Lighthouse Assembly of God in Petersburg, Alaska. It was a great time of fellowship, building relationships with the pastors, and ministering to the people of this fine community.

## YEAR END YOUTH EVETNS

This year, we attempted the most ambitious set of events to date. Right after Christmas, 8 volunteer staff flew into Fort Yukon to get ready for 4 solid days of youth events.

We kicked it all off with 2 days of The Change youth conference on Dec. 28th & 29th. Then, we had a basketball Clinic, Contest, and Concert at the gym on the 30th. And, finally, we hosted the 2012-2013 New Year's All Nighter, at the church, on the 31st - Jan. 1st.

If was an intense week, but God was with us and we were able to see some of the youth of Fort Yukon connect with God in a powerful way.

## MOVING FORWARD!

We had a busy January, filled with itineration, fundraising, and preaching in Montana and Alaska. We have been supremely blessed by Helena First Assembly of God, Fairfield Assembly of God, and Chester Assembly of God. Thank you for your invitation and for your generous and continued support, both in prayer and funds!

Please keep us in prayer as we continue on the path that God has laid before us. We are excited about the upcoming Spring activities, as well as the Alaska Ministry Network Conference.
