## ASSEMBLY OF GOD U.S. MISSIONARIES TO THE YUKON FLATS OF ALASKA

This winter has been amazing, challenging, educational, fruitful, and adventurous! From the excitement of the new church building to the planning and execution of our family trip to the “lower 48” states, we have been on a wild ride.

We have worked hard over the past two years to build a church building that will stand the test of time, extreme arctic weather, and heavy use. Our goal was to build the church in such a way that many years from now, the body of Christ would still be growing and e

On October 6th, 2019 we held our first service in the new building. It just so happens that this date was 13 years, to the day, from the Friday night that Jeremiah stepped off the boat in Fort Yukon to begin this amazing journey that God had called us to. The community has responded very well to the new building and the excitement we’ve seen in

people as they enter the doors has been so rewarding. We know that God has great things in store for Fort Yukon Assembly of God and the Yukon Flats Region.

This month, we flew the entire family down to the states to attend the U.S. Missions Intercultural Ministries Embark Conference. This was a great time of connecting with other missionaries, sharing testimonies, and building relationships with those we minister alongside. From now until mid-March, we will be sharing our ministry and vision in churches throughout Kentucky and Indiana, as well as meeting with some support team members along the way.

# Finishing & Beginning

As we settle into the new church building, we are excited about the new opportunities we have before us. From increased space for ministry activities to having bathrooms and a kitchen for the first time in the church's history, we are extremely blessed. One of the most noticeable differences that the staff have enjoyed is the lack of constant wood stove stoking to try to get the church warm!

***We are looking forward to the official church dedication service on April 5th, Palm Sunday.***

## *Family upDate:*

After a bout of winter sickness, which all three kids contracted, everyone is back to their spunky selves. The kids are excited about their new nephew (Joshua & Cheyenne's baby Judah). Traveling in the states can be challenging at times, but

## Funding

## Staff

As we spend the rest of this month and some of March itinerating, please keep us in prayer and consider increasing your monthly giving. If you are not giving monthly, please follow the link below and sign up. We are praying for abundant blessing in your life as you follow God's leading in demonstrating His generosity with your finances. We pray that you will be more like Him every day and that you will produce much spiritual fruit!

Our Missionary Associates, Joshua and Cheyenne have had their first child! Judah Alexander Niemuth was born on Joshuas's birthday, January 25th.

He's healthy and happy, surrounded by love. Joshua and Cheyenne are home and adjusting to parent life well. Joshua is filling in for Jeremiah while he is itinerating in the lower 48 until mid-March. We are thankful and blessed to have this family as a part of our team and family.
