

Mission ALASKA

U.S. Missionaries Jeremiah & Sharnay Niemuth

available? How could we minister to even more remote communities without internet or the ability to travel to them? Who will come to Fort Yukon to minister alongside us after our youth pastor and Missionary Associate moved away?

As we tackled these questions and more, God began to show us the tremendous impact we have had in Fort Yukon throughout the past 15 years. We've been **encouraged** on every front, **empowered** in the

face of tremendous complications, and **equipped** like never before to press forward and expand the work of the Kingdom in new ways and new regions!

"The spirit of Christ is the spirit of missions. The nearer we get to Him, the more intensely missionary we become."

– Henry Martyn

Though some questions still linger, God has been faithful to answer them in His time.

We're looking forward to seeing His hand at work in 2022 and beyond.

THANK YOU for being a vital part of Mission Alaska!

Renewed Vision

OVER THE PAST 15 YEARS OF OUR MINISTRY HERE IN FORT YUKON, GOD HAS GROWN A VISION AND PASSION

for the remote communities of Alaska in our hearts. Throughout the past year, as everyone has struggled with the realities of COVID-19 and the challenges that came with it, the question that we had to answer was, "What now?" How were we to continue the ministry God had called us to and even expand it to new regions and new levels of growth in the midst of such chaotic and unpredictable circumstances? How would we raise our full budget without the usual tools of itineration

NEW YEAR'S EVE

Every year, we host a New Year's Eve youth event at the church. This event provides a safe, drug & alcohol free event for the youth of the community during a time of the year when substance abuse is very high.

907MISSIONS TRIPS

Now that travel to remote communities of Alaska is beginning to open up, lead trips to villages are being planned.

STAFF OPENING

We currently have a need for a Missionary Associate willing to help with youth ministry here in Fort Yukon and outreach to surrounding villages.

CHRISTMAS CRATES

One of the ways we encourage and equip local believers to outreach to those around them is to provide them with crates of baking supplies, Christmas goodies, and gifts for them to distribute as the Lord leads them.

"As great as the facility [is], greater is the ministry that is progressing. No facility can share the gospel the way a couple called by God can do. It was truly a joy to watch Jeremiah and Sharnay as they ministered to the community and shared the message of hope to Ft. Yukon."

The Workers are Few

As I think back on the early years of our ministry, it seemed like we had so many helpers and freinds in ministry and all we needed were finances to move the ministry forward. As the years went on, I began to notice that the limiting factor was less about money and more about people willing to help. When there is more work to be done than hours in the day, no amount of money can make up the difference. Without those who answer the call of God to step into missions, the Word cannot go forward.

Looking forward to 2022, we are seeking God for a Missionary Associte, willing to help with youth ministry. Please join with us in prayer, asking the Lord to send someone willing to pour their life out to see all of Alaska reached for Christ.

Our Support Team

We are so incredibly proud of all of you! We have the best support team in the world!

Over the past year, our country has gone through quite a bit of turmoil. We know that some of you have lost jobs, had increased expenses, or suffered financial losses in other ways.

I want to encourage you, letting you know that your continued giving to missions doesn't go unnoticed! ***Souls are being saved and lives are being changed with the hope of Jesus because of your support!***
