

# The Jer & Nay report:

## In ALL things... GIVE THANKS!

**“Praise God!”**

**Seriously, when was the last time (outside of a church service) that you took some time and just gave thanks to God?**

It's a challenge to keep our relationship with God in the forefront of our minds. Our sinful nature wants NOTHING to do with God, so it fights to occupy every millisecond of our time so that we have none left for getting closer to our Maker and finding His will for our lives. I want to share with you some of the reasons that I have been stopping, in the middle of whatever has been so busy, and giving praise to God:

*\* God reached out and lifted me out of the pit and brought me into His light.*

*\* I have an AMAZING wife, who loves me and loves God with all of her heart.*

*\* I have an adorable son who has been healed to complete health by God*

*\* He has been faithful to His promise and He continues to bring people to help support the vision that He placed in our heart for Alaska!*

DISCIPLESHIP    OUTREACH    UNITY

Alaska is huge! With a landmass almost 2.5 times the size of Texas and over 300 federally recognized Native Alaskan tribes, the need to long term ministry is obvious.

The need is great, but the workers are few.

We have a clear vision and a steadfast dedication to the mission. Our desire is to advance the kingdom of God in EVERY rural area of Alaska.

We need prayer support. Please pray for safe travel and hearts to be stirred to join our team.

Before we can return to our mission, we need to reach 100% of our budget. We are 65.5% of the way there!

Help us spread the word! Share what we do with friends, family, neighbors, etc.

Consider joining us in AK for an outreach, youth camp, or building project.
