

ASSEMBLY OF GOD U.S. MISSIONARIES TO
THE YUKON FLATS REGION OF ALASKA:

JEREMIAH & SHARNAY NIEMUTH

P.O. Box 249, FORT YUKON, ALASKA 99740

February - March 2014

Team Blessings

If you've ever worked on a farm, you know that it takes many workers to bring in a great harvest. In God's Word, we are encouraged to "pray that the Lord of the harvest would send workers". We need to remember that the world is God's field and He alone appoints workers to harvest it.

This past February, we were honored to host an outreach team from North Pole Christian School. This group of 17 people did an amazing job ministering to the children of Fort Yukon. They provided a 5 day kids outreach called Bible Bootcamp, ministered to our church on Sunday, helped with projects around the church, and spent many hours in prayer for Fort Yukon and surrounding villages.

Just a few weeks after the NPCS team visited, we hosted another 16 person team from Sam Houston State University, in Texas!

This awesome team blessed us by helping with our family night, praying for people in the community, and hosting a worship concert at our church. We had about 35 people, of all ages, turn out to worship God with us. Also, we had 7 young people give their heart to the Lord, that night.

Outreach teams and work teams are so important to the work that we are doing, here

in Fort Yukon. If you would like to send a team, or be part of one, please let us know. We love to have people come and share in this awesome missions journey with us!

Malcolm & Maria Burleigh and Pastor Bill Welch

Sharnay's parents: Gary & Judy Irvine

We were honored at the GO! launching ceremony

Milestones

This March, we traveled to the Assembly of God U.S. Missions Headquarters office, in Springfield, MO, to attend the AGUSM GO! Conference. This was a time of teaching, refreshing, and connecting, ending with a launching ceremony. We were blessed, tremendously, by AGUSM and we are excited about what God has in store for us in the future.

As most of you know, we recently reached "Fully Funded" status as Assembly of God U.S. Missionaries. This means that we are fully appointed to serve and work in the mission field that God has called us to, in Alaska!

What is **does not** mean is that we don't have to do anymore fundraising or that we do not need our support team to continue their monthly giving. The **ONLY** reason that we have been

approved as Fully Funded is because our awesome supporters continue to give, monthly.

Please continue to help us spread the word and grow our support team. There are still many needs in our budget, including; funds for airfare to and from other villages in our area, curriculum and teaching materials for all ages, materials and shipping for upcoming building projects, and more!

Please keep us in your prayers! We value and cherish your prayers and we thank God for each one of you.

Sharnay, teaching the kids about the Bible and praying with them

If you have not yet signed up and joined our financial support team, **NOW IS THE TIME!** Go to: www.missionalaska.org and click the **"JOIN THE TEAM"** page. Your monthly support of ANY amount will help us bring life and hope to the Yukon Flats region of Alaska!

In Christ,

Jeremiah & Sharnay Niemuth

Sharnay, Jeremiah, Zollie Smith (AGUSM Director), and Pastor Bill Welch (Alaska Assemblies of God Superintendant)
